We inspire students to love reading by:

- ✓ Engaging in peer discussions
- ✓ Digging deeper through creative book projects
- ✓ Playing book related games
- ✓ Giving students the time and support to read

Book clubs make reading FUN for both bookworms and reluctant readers and let students develop their comprehension & analysis skills.

Our WINTER theme is **MAGIC & ADVENTURE**. We will read, discuss, and compare three engaging stories across multiple genres that connect to this theme. The first book will be the classic, *A WRINKLE IN TIME*, before the movie comes out this Spring. Based on the reading interests and level of the students in this session, I will offer different books for the group to vote on for our 2nd and 3rd book such as *THE MAGIC MISFITS* by Neil Patrick Harris or *AMINA'S VOICE* by Hena Khan.

*Books will be provided at the first session for students to keep as part of the class fee.

The Book Club is created by Kari Riedel, a local parent and the founder of Bookopolis.com – an online community for young readers.
